Data Leaks

 We found your data in the following data leaks:

- "Credential Stealer #2": 45
- "Combolist #12": 15

Scope

VIPs

- ceo@example.com
- cfo@example.com

Included Domains

- example.com
- myexample.com

Excluded

We didn't exclude any subdomains.

We cannot guarantee that all public data leaks are included. This might be due to data leaks that are not accessible to us, but also due to difficulties in parsing unstructured data.
