# 1 OffSec Web Assessor Exam Report

The OffSec OSA exam documentation contains all efforts that were conducted in order to pass the OffSec Web Assessor exam. This report will be graded from a standpoint of correctness and fullness to all aspects of the exam. The purpose of this report is to ensure that the student has the technical knowledge required to pass the qualifications for the OffSec Web Assessor certification.

The student will be required to fill out this exam documentation fully and to include the following sections:

- Methodology walkthrough and detailed outline of steps taken
- Each finding with included screenshots, walkthrough, sample code, and proof.txt if applicable.
- Any additional items that were not included

OS-X-XXXXXX

## **2 192.168.X.X**

### **2.1 Local.txt/Proof.txt**
